### A CORRECTION

In our issue of April 14th, an ad appeared pertaining to the city scavenger service and bearing the phone number 26. This ad was printed just as received. 26, however, is the phone number of Lane & Sons Grain Co., but the phone number was used without Mr. Lane's knowledge or consent and the News takes this opportunity to say that further communication to scavenger service should be addressed to the City Hall, as of course, Mr. Lane has no connection whatever with this work and the party giving the phone number merely intended to use his phone. The News is glad to make the correction and we are sorry the mistake occurred.
